# Internship Registration for In-State Applicants Form

An individual may register as Intern in North Dakota if he or she has completed their clinical training requirements as an addiction counselor but fails to meet the licensure requirements of the state of North Dakota. The intern status allows applicants to complete missing requirements while being employed under Intern status. The Internship Registration form may be attached to your Clinical Training Completion Form. (An applicant can remain in intern status for up to 12 months. An additional 12-month extension can be granted through Board approval)

**INTERNSHIP STATUS APPROVAL MUST BE OBTAINED BY THE BOARD PRIOR TO STARTING INTERNSHIP/EMPLOYMENT.**

Please indicate which of the below requirements are not met and provide additional information, as required.

❑ I have not completed the required academic coursework. Please list outstanding coursework and and expected date of completion.
